- ▶ Lori Lynass 
- ▶ Sarah Frazelle 
- ▶ Jason Harlacher
- ▶ Sarah Arden 
- ▶ Justyn Poulos 

7

Objectives: Participants will

- ▶ Understand that Tier 1 Supports are Critical for Tier 2 Success
- ▶ Define Tier 2
- ▶ Conceptualize Tier 2 in a Multi-tiered System of Supports
- ▶ Gain Tools to Determine Readiness for Tier 2
 - ▶ Assess Current Interventions, Time, & Need
- ▶ Learn How to Plan for Tier 2 Interventions
 - ✓ Visibility
 - ✓ Leadership/Team
 - ✓ Political Support & Funding
 - ✓ Training & Coaching Capacity
 - ✓ Data System & Evaluation Planning
 - ✓ Learn to Assemble a representative Tier 2 Systems team

8

What do you know about Tier 2?

Share out!

- ▶ What is it?
- ▶ What interventions are officially “Tier 2”?

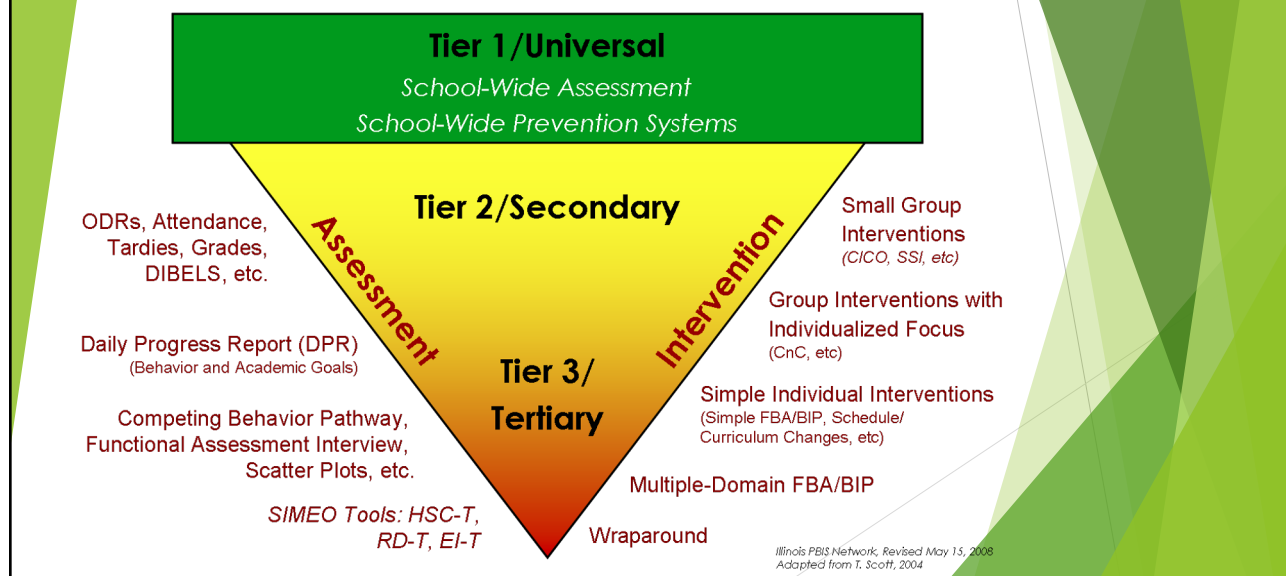

9

Getting from Tier 1 to Tier 2

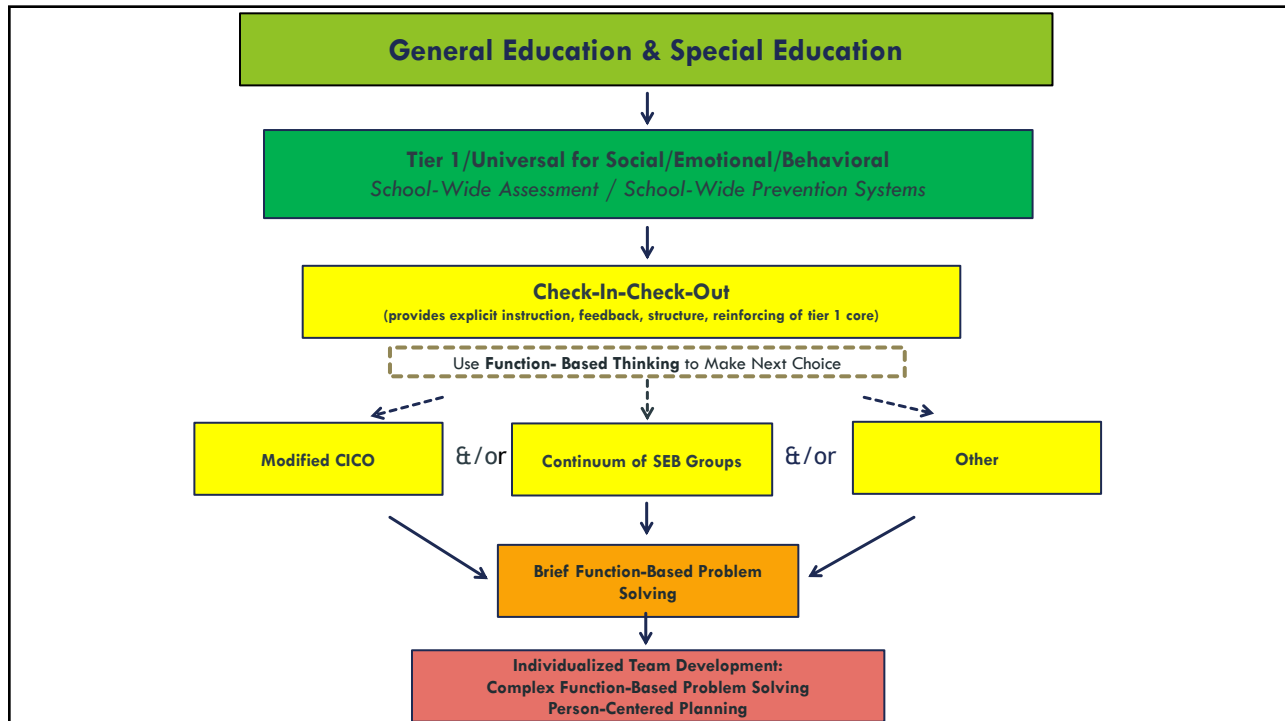

- ▶ We establish a very rigorous environment of instruction
 - ▶ For academic and social skills
- ▶ If students are not successful, we FIRST examine our instructional behaviors
- ▶ We consider how many students are not successful
 - ▶ Is there a gap in our core?
 - ▶ Are there patterns in need (e.g., missing skills, areas to target/enhance)?
- ▶ Then we “dose up”
 - ▶ Plan more intense, structured use of these strategies
 - ▶ When something is new, hard, or we are not ready to learn (stressed, afraid, angry)

10

Positive Behavior Interventions & Supports: A Response to Intervention (RtI) Model

11

12

Targeted Interventions within Tier 1

- All specialized interventions are more effective and more durable if they are done with evidence based universal/core implementation (e.g., SWPBIS, reading curriculum) as a foundation.

FEW

SOME

ALL

13

Is your Tier 1 SWPBIS ready to support?

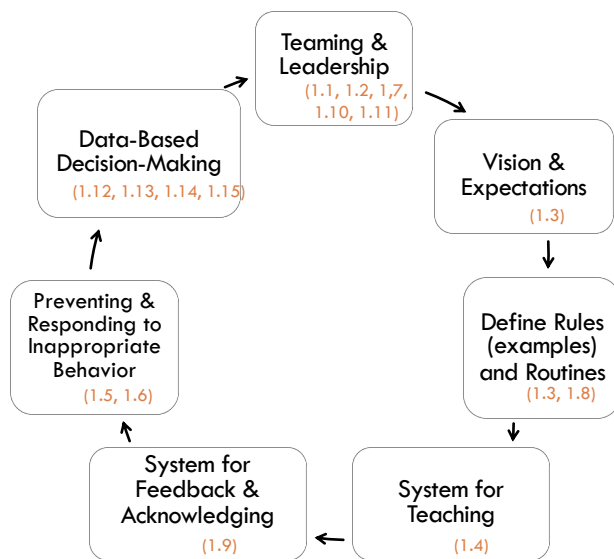

- Developing School-wide Expectations
 - Agreed upon, Posted
- Teaching System
 - Explicit, Scheduled
- Acknowledgement System
 - Documented, Varied
- Consequence System
 - Distinctions, Documented
- Decision-making Data System
 - Efficient, Shared
- Management
- District Support

When is the last time your tier 1 team assessed and action planned using the TFI?

 What was your Tier 1 fidelity score on the TFI?

Tiered Fidelity Inventory (TFI) Measures of Tier 1

TFI	Component
1.1	Team Composition
1.2	Team Operating Procedures
1.3	Behavioral Expectations
1.4	Teaching Expectations
1.5	Problem Behavior Definitions
1.6	Discipline Policies
1.7	Professional Development
1.8	Classroom Procedures
1.9	Feedback & Acknowledgement
1.10	Faculty Involvement
1.11	Student/Family/Community Involvement
1.12	Discipline Data
1.13	Data-based Decision Making
1.14	Fidelity Data
1.15	Annual Evaluation

- Create a safe, predictable, & consistent environment
- Replace inappropriate behaviors with skills
- Establish & strengthen relationships
- Replaces subjectivity with data driven decision making

Reflect and Share

- What are the strongest components of your Tier 1 SWPBIS system?
- What is a specific area(s) are you continuing to target for improvement?

17

Positive Behavioral Interventions and Supports (PBIS) for Continuous Improvement and Alignment of Initiatives is a Multi-Tiered System of Supports (MTSS) Framework

Supporting culturally equitable **Targets** including social/emotional competence & academic achievement

Supporting culturally knowledgeable **Staff Behavior**

- ✓ team-based leadership and coordination
- ✓ professional development, coaching, and content expertise

Supporting culturally valid **Data-based Decision Making**

- ✓ universal screening
- ✓ progress monitoring
- ✓ evaluation of fidelity

Supporting **Student Behavior**

- ✓ three-tiered continuum of culturally relevant evidence-based interventions

Midwest PBIS Network 2/7/19. Adapted from:

"What is a systems Approach in school-wide PBIS?" OSEP Technical Assistance on Positive Behavioral Interventions and Supports. <https://www.pbis.org/school>

McIntosh, K. & Goodman, S. (2016). *Integrated Multi-Tiered Systems of Support: Blending RTI and PBIS*. New York: Guilford Press.

18

Reflect for Practice

- Reflect on the strengths and challenges you mentioned in the previous discussion. Where does each strength and challenge fall?
 - Data
 - Systems
 - Practices
- What are the implications for your school (and implementation of interventions for students who are struggling)?

19

Why Tier 2 Interventions?

Individualized supports are inefficient and resource intensive.

Lengthy: it can take 2-4 weeks to conduct an intensive, individualized intervention:

Complete Functional Behavior Assessment (FBA)

Develop a behavior support plan

Train everyone in implementation

Students can receive support within 72 hours with a tier 2 group intervention.

*Are effective for about 67 - 80% (CICO) of students!

20

Who would benefit from tier 2 support?

- For students “who”
 - Group interventions
- Frequently late
- Homework incomplete
- Regularly “talk-out”
- Have few friends
- Lack of connection to adults
- Students whose needs teachers “can handle” but are a challenge

22

Tier 2 Intervention: What it's not

- Not an intervention for a classroom or a whole school
- Not an individualized intervention
 - Not appropriate for students who have dangerous or violent problem behaviors
 - Not “wrap around” or comprehensive
- Does not require any intensive assessment
- Does not take longer than 10 min. for any teacher to implement

23

Tier 2 Intervention Features

- Tier II behavior support interventions provide:
 - Additional instruction/time for student skill development
 - Additional structure/predictability
 - Increased opportunity for feedback (e.g., daily progress report)

Explicit Linkage to Tier 1 Supports.

Students have access to Tier 1 AND Tier 2 Supports (Layering increases effectiveness)!

Algozzine, B., Barrett, S., Eber, L., George, H., Horner, R., Lewis, T., Putnam, B., Swain-Bradway, J., McIntosh, K., & Sugai, G (2014). *School-wide PBIS Tiered Fidelity Inventory*. OSEP Technical Assistance Center on Positive Behavioral Interventions and Supports. www.pbis.org.
 Anderson, Borgmeier (2010)
 Newcomer, Lori L.; Freeman, Rachel; and Barrett, Susan (2013)

Wisconsin RTI Center
 Wisconsin PBIS Network

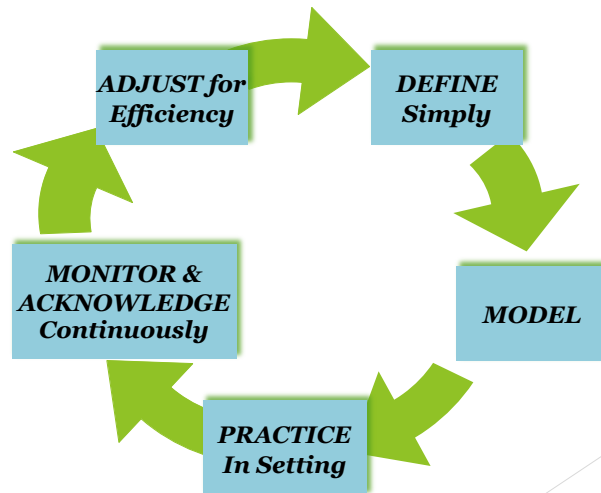

24

Tier 2 Intervention Critical Features

- Continuously available- Everyone knows the intervention
- Rapid access to intervention
- Low effort for teachers/staff to implement
 - **Generic** intervention
 - Allows students to move back into “green zone” more efficiently
 - Provide schools with *efficient* system to support multiple students
 - Efficient access to data collection and initial problem solving
- Consistent with school-wide expectations
 - Goal to get back to green!
- Continuous monitoring
 - If program is not self-sufficient & requires significant organization by referring staff... it's not a tier 2 intervention! & not just the “card”
 - Peer buddies, homework club, mentoring interventions

25

Teaching Academics & Social Behaviors

26

Why do Tier 2 Interventions Work?

- Increase structure/routines for student
- Increase in contingent feedback for student
- Increase in explicit instruction on relevant social skills & plan details
- Programs can be applied in all school locations
- Increase recognition for appropriate behavior
- Linking school & home support & academic support, as needed
- Focus is on self-management, as intervention is implemented over time

27

Tier 2 Building Readiness (Check in Check Out Example)

- ✓ **Visibility & Commitment**
 - ✓ Tier 2 content shared with staff & 80% (min) staff support
 - ✓ Tier 1 Fidelity: (e.g., 70% or greater on TFI/BOQ, 80% on SET)
- ✓ **Leadership/Team**
 - ✓ Representative: includes administrator, intervention coordinator (& facilitators), persons knowledgeable about school/students/technical adequacy (ideally some membership overlap with Tier 1 team)
 - ✓ Regular meeting schedule (2x monthly often encouraged for social behavior monitoring)
- ✓ **Political Support & Funding**
 - ✓ PBIS prioritized in school improvement goals (top 3)
 - ✓ Principal/admin commits to implementation for 3-5 years, with at least 3 years of funding identified
- ✓ **Training & Coaching Capacity**
 - ✓ Building coordinator for Tier 2 is identified with FTE and who will train building staff
 - ✓ Administrator regularly participates on team and supports sharing data with staff monthly
 - ✓ Identified team members can attend necessary trainings
 - ✓ Access to district/regional coach/support
- ✓ **Data System & Evaluation Planning**
 - ✓ Access to and plan for entering/using data to support intervention outcomes over time (e.g., identify students, monitor progress)
 - ✓ Plan for regular fidelity assessments to drive action planning (e.g., TFI)

TFI 2.1 Activity 1: Teaming Working Smarter Matrix

Note: Revisit your Tier I "Working Smarter" document, or start a new table

Initiative/ Committee/ Team	Purpose and Strategic Goal Supported	Measurable Outcome(s) – Data Based	Target Group	Staff Involved	Overlap? Modify? Eliminate?

32

Tier 2 Team Composition

ROLES NEEDED (TFI 2.1):

- Team facilitator
- Applied behavioral expertise
- Administrative authority
- Knowledge

Community

►

►

►

► Family member

► Student representative

► Community partner(s)

mental Health Agency partners

- Social Workers, psychologists, school counselors, psychotherapists, etc.

PBIS 3 Tiered System of Support

Tier II team does not need to be large. Even 3-5 people may be sufficient.

The key is to ensure that the authority to make decisions exists, and the behavioral expertise is present to guide adaptations.

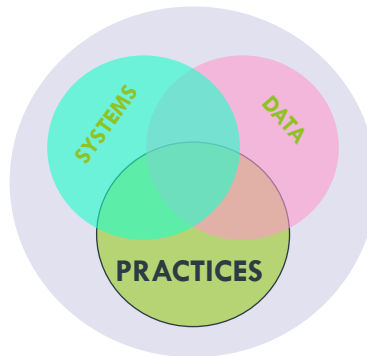

Some roles may be fulfilled by the same person (e.g., CICO Coordinator is the team facilitator!)

TFI 2.1: Team Composition

33

Big Ideas about Implementing a System of Tier 2 Interventions

- ✓ Select Evidence-Based Interventions
 - ✓ Connect all interventions to Tier 1
 - ✓ Monitor the fidelity of each intervention
 - ✓ Monitor the use of all interventions
 - ✓ Monitor the outcomes of all interventions
- } The role of the Tier 2 Systems Team!

34

Messages on PBIS Continuum of Interventions

1. Start with Check-in Check-out (CICO) and a Daily Progress Report (DPR)
2. Layer small group instruction on specific skill sets
 - ▶ Social, coping, problem solving etc. skills as low level generic, higher frequency dosage of teaching
 - ▶ Skills are layered into DPR
3. Layer small group instruction to address a specific identified need
 - ▶ Use of screening, expanded data, request for assistance

35

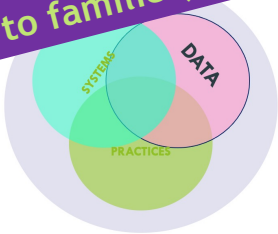

Tier 1 Data Points to Consider for En

- ▶ Minor Discipline Referrals
- ▶ Major Office Discipline Referrals
- ▶ In-School / Out-School
- ▶ Loss of in

Multiple sources of data, including request for assistance from teachers, students, families.

Written process for decision rules.

Process for communicating to families, teachers, students.

36

Data-Based Decision-Rules: Sample to Consider

Data to track proportion of students participating in Tier II supports and access is proportionate.

Data to support implementation fidelity and action planning.

- a) Identification for CICO (IN):**
 - Student is identified by 2 or more Office Discipline Referrals, unexcused absences, 2 incomplete homework assignments, referral from family or school staff, etc.
- b) Progress-monitoring (ON):**
 - Daily Progress Report (DPR) data collected daily & reviewed every other week. Data collected for 4-6 weeks (individual buildings decide whether 4 or 6 weeks will be better for their students).
- c) Exiting/transitioning (OUT):**
 - Student received a total of 80% of DPR points averaged per day/week for 4 weeks and has had no new ODRs or attendance or homework concern. Student may be transitioned into being a CICO student mentor.

Your teams will be constructing decision rules.

37

MAIN IDEAS

- ▶ Effective Tier 1 is critical for Tier 2 Success.
- ▶ Layering supports maximizes implementation efficiency and outcomes!
- ▶ Number of students with needs must be manageable to effectively address them successfully, and this only happens with healthy universal system.
- ▶ It's ok to start small with "pilots". This is often where teams find gaps and weaknesses in Tier 1 that are less obvious.
 - ▶ E.g., DPR ratings of N/A for safety in small group reading; staff unsure how to provide feedback on school-wide expectations using DPR.
- ▶ Plan for data, systems, & practices (not JUST the practices)!

Closing Content

- All follow up questions are to be emailed to CISL@k12.wa.us with the presenter name, and the session title the question relates to.
- Presentation materials, and recordings of sessions will be available on August 18 with closed captioning. (clock hours are not available for watching recordings)
- Clock hours will be awarded no later than August 31, 2021 and can be claimed up to a year after the event. Participants must fill out the MTSS Fest survey to be awarded hours.
- The presentation materials will be uploaded to our MTSS webpage and will be linked in the archive materials section.
