Overview

Stride, Inc. (K12 Inc.) is an online curriculum, technology and learning services virtual program provider. We provide Washington State K-12 school districts and students with a world class education grounded in high academic standards helping them reach their full academic and social potential through Washington school districts. Stride's web-based academic program combines online technology with traditional instruction and materials.

The K12 curriculum and online program/courses is a unique blend of engaging curriculum which includes online and offline lessons, as well as a variety of education activities and plenty of opportunities for socialization including access to statewide outings, field trips, clubs and more.

Stride's approval is inclusive of K12-instructed online courses, K12 online school programs and the foreign language courses from the Middlebury Interactive Learning arm of K12, Inc.
