Comprehensive Needs Assessment

Use the Navigation box at the top to get to the **CGA – Comprehensive Needs Assessment and Priorities** form.

This page is important to the Title IVA funding because all LEAs that receive \$30,000 or more are required to consider the Title IVA program categories when deciding how to allocate funds.

You will not be able to validate the form if you receive \$30,000 or more in Title IVA funding and do not check the Title IVA box. This applies whether funds are transferred or not.
