## **Parent Survey: English Language Development Program**

Please use this survey to share your comments and recommendations. We will use your responses to improve services to your family. The English Language Development Program helps your child with speaking, listening, reading, and writing in English and, when possible, in your family's language.

- 1. Does the school provide interpreters and translated materials when you need them? ( )Yes ( )No**
  
- 2. What do school staff do to make you feel welcome in school? What else can they do to make you feel welcome?**
  
- 3. How do school staff show respect for your family's language and culture? What else could they do?**
  
- 4. What do you know about the language development services that your child is receiving?**
  
- 5. What do you like about the school's language development program?**
  
- 6. How could the school's language development program be improved?**
