7th Grade World History and Pacific Northwest History

8th Grade US History

Area of Expertise

Civic Education, Project Citizen

Global Education

Technology

Background

I have degrees from Southern Illinois University and Western Washington University and earned National Board Certification in Social Studies/History in 2008. I have been teaching for 27 years with the last 22 in Oak Harbor. I have been fortunate to participate in several summer professional development opportunities including teacher tours to Korea, Japan, Morocco, and Germany. When not teaching you can find me on the trails hiking, backpacking, and mountain biking or on the water sea kayaking.
