PARENT/GUARDIAN CONSENT - You must complete and **SIGN**

☐ I request that authorized school personnel assist my child to take the medicine(s) described above. (If no box is checked, this option is the default.)

☐ I request that my child be permitted to self-administer the medicine(s) described above. I will hold harmless and indemnify the District, its officers, employees and personnel against all claims or liability arising out of the student's self-administration or carrying of medication.

☐ I am at least 18 years old and sign this form on my own behalf (RCW 26.28.015 or RCW 70.02.130).

My signature indicates my permission for the exchange of information between school staff and the health care provider, and my understanding that the District and school staff will not incur any liability for any injury when the medication is administered in accordance with the health care provider's direction and Washington law. I understand this is a plan for a life threatening condition and can only be discontinued, in writing, by a health care provider.

The permission to possess and self-administer medication may be revoked by the principal or school nurse if it is determined that your child is not safely and effectively possessing and self-administering medication.

**** It is strongly recommended that extra medication be provided and stored in the school clinic. ****
