Overview

Edmentum provides Internet-based programs for learners of all ages who desire a quality high school education. We are founded on the belief that all students, regardless of age, ability, location, gender, and background should have access to a rigorous and personalized educational program. Edmentum removes the barriers of the traditional "brick and mortar" school to ensure that every student has the opportunity to achieve a high school diploma. We facilitate student success by combining highly qualified instructors and our standards-based Plato Courseware curriculum. We deliver a contemporary education to meet the needs of all learners.

Student-Teacher Contact Requirements

Students at Edmentum takes courses either in a blended learning environment at their school or from the homes. Interaction between student and instructor is frequent and varied depending on the needs of the student and the environment where the student is taking classes. The communication will be in the form of phone calls, text messages, e-mails, Instant Messenger, Webinars, and messaging from within the learning environment (PLE).

Courseware Platform

All Edmentum courses may be taken in Full Course Mode or Pre-Assessment Mode, which includes automated assessments and produces a targeted course of study individualized for each student. This allows us to provide a customized course of study to fit the unique needs of each student.

Who may take a course in Pre-Assessment Mode?:

Students who have previously taken a significant portion of a course at a different school, but did not earn credit.

Students who have failed an Edmentum course.
