NOTES: In the columns labeled FIRST SUBMISSIONS and SECOND SUBMISSIONS, a district submitting multiple bond issues at the same election may be counted as both voter approved and failed.  
 In the columns labeled TOTAL APPROVED, a district with both approved and failed submissions is counted as approved.  
 In the columns labeled TOTAL FAILED, a district with both successful and failed submissions is not included in the number of districts; however, the district's failed submissions are included in the dollar amount of failed submissions (column \$\$\$).  
 Election results are those reported to OSPI by county auditors.
