COMES NOW the Office of Superintendent of Public Instruction, under the authority granted by the laws of the state of Washington, having reviewed the file of the above-referenced case, and having considered the entire evidence contained therein, does hereby stipulate by and between the Office of Professional Practices (OPP), Office of Superintendent of Public Instruction (OSPI), and Dean Godfrey, that the Washington Education Certificate, No.322927E, of Dean Godfrey, shall be suspended, based on the Findings of Fact and Conclusions of Law set forth below:

DEAN GODFREY
 AGREED ORDER OF SUSPENSION

3. On December 1, 2014, the Office of Professional Practices, within OSPI, received a complaint letter from the Executive Director of the Professional Educator Standards Board (PESB) alleging a violation of the Code of Professional Conduct, Washington Administrative Code (WAC) 181-87, by Dean Godfrey.

4. During the 2013-2014 school year, Dean Godfrey worked towards completion of his ProTeach Portfolio; a required aspect towards obtaining a professional teacher education certificate. During the course of working towards completion of his ProTeach portfolio, Dean Godfrey did not attend a full-session ProTeach portfolio course and was not provided accommodations from his employing district. Dean Godfrey relied on information from the ProTeach website, and a fellow educator for guidance on creating and compiling his portfolio submissions.

5. During the process of completing his ProTeach portfolio, Dean Godfrey incorporated significant portions of a fellow educator's previously submitted and scored ProTeach portfolio into sections 1 through 3 of his ProTeach portfolio. That educator was previously given ETS identification number WACF84BED

6. In June 2014, Dean Godfrey submitted his ProTeach portfolio to Educational Testing Service (ETS) for scoring and, as an automatic feature in the online submission, Mr. Godfrey attested that all the information contained in his ProTeach portfolio was his own work. ETS is a company contracted with Washington State Professional Educator Standard's Board to analyze

and score ProTeach portfolios. ETS assigned Dean Godfrey an identification number of WA486778DE.

7. After electronic review of Dean Godfrey ProTeach portfolio, ETS determined that there was a "significant overlap" in his ProTeach portfolio with educator WACF84BED's previously scored ProTeach portfolio.

8. On November 7, 2014, ETS sent Dean Godfrey a letter advising that his June 2014 ProTeach portfolio score was being voided.

9. On May 14, 2014, educator WACF84BED participated in an interview with OPP investigators. He reviewed the similarities between his and Dean Godfrey's submission to PESB. Educator WACF84BED stated that the work he submitted to PESB in January 2013 was his own original work and that Dean Godfrey had utilized his work and artifacts in Mr. Godfrey's own portfolio without his permission.

10. On July 7, 2015, Dean Godfrey participated in an interview with an OPP investigator.

11. Good moral character and personal fitness is a continuing requirement to maintain a Washington Education Certificate
