## A.2. PURPOSE OF REQUEST FOR PROPOSALS

The Office of Superintendent of Public Instruction (OSPI) is initiating this Request for Proposals (RFP) to solicit proposals to establish state contracts for the processing of United States Department of Agriculture (USDA) Foods.

## A.3. BACKGROUND

Led by Superintendent Chris Reykdal, OSPI is the primary agency charged with overseeing public K–12 education in Washington state. Working with the state's two hundred ninety-five (295) public school districts and six (6) state-tribal education compact schools, OSPI allocates funding and provides tools, resources, and technical assistance so every student in Washington is provided a high-quality public education.

OSPI also oversees multiple Federal Child Nutrition Programs. OSPI has entered into an agreement with USDA to administer the Food Distribution Program for approved Local Education Agencies (LEAs) participating in the National School Lunch Program (NSLP) to receive, warehouse and distribute USDA Foods to Local LEAs. LEAs are generally known as public and private schools. There are currently three hundred thirty-five (335) participating LEAs in Washington. Of these, there are one hundred fifty (150) LEAs located in Eastern Washington and one hundred eighty-five (185) LEAs in Western Washington.

## A.4. OBJECTIVE AND SCOPE OF WORK

- A. Objective** The purpose of this solicitation is to establish a state contract for Processed Donated USDA Foods. The contracts primary purchaser will be OSPI who is providing distribution to LEAs. However, LEAs that have the capacity for direct shipments and can meet vendor minimum shipment requirements will be eligible to utilize this agreement by entering into a separate agreement.

OSPI will provide the USDA Foods to be used in the manufacturing process.

Estimated contract value for each item for the first year:

Product	Approx. Contract Value *values are from the 2023-2024 SY
Cheddar cheese sauce	\$67,750
16" round cheese pizza pre-cut	\$49,575
16" round pepperoni pizza pre-cut	\$61,550

## A.5. BIDDER QUALIFICATIONS

All vendors for School Year 2024-2025 shall be approved for processing by USDA with a National Processing Agreement (NPA) or a USDA approved In-State processor agreement for the State of Washington. Either agreement must be on file and approved by OSPI.

OSPI reserves the right to reject proposals submitted by any source other than the above mentioned.

#### **A.6. PERIOD OF PERFORMANCE**

The period of performance of any contract resulting from this RFP is tentatively scheduled to begin on or about July 1, 2024 and end on or about June 30, 2025. The option to extend any contract resulting from this procurement shall be at the sole discretion of OSPI.

As such, OSPI reserves the right to amend to extend the contract for four (4) additional contract years through 2025-2026, 2026-2027, 2027-2028, and 2028-2029. Decision to amend shall be based on sustained satisfactory performance as decided by the Contract Manager, successful completion of project objectives, and availability of funding. If OSPI provides a renewal notice to the Contractor, the Contractor shall be obligated to enter into a contract with the same fiscal obligations as the previous Contract year, provided that OSPI and Contractor shall negotiate any revision of additional services or goals beyond those encompassed in the previous Contract.

Successful Bidders shall be required to attend the Annual Washington OSPI/WSNA USDA Food Show. Dates for the 2024 show have not been announced.

Additional services that are appropriate to the scope of this RFP, as determined by OSPI, may be added to the resulting contract by a written amendment mutually agreed to and executed by both parties.

## **A.7. FUNDING**

See Exhibit F for guidelines on Specifications. Should any additional federal or governing agency regulations be imposed affecting the processing of USDA Commodity products, OSPI retains the option to amend specifications to meet the additional requirements.

#### **B.4. COMPLAINT PROCEDURE**

The complaint process is available to Consultants interested in this RFP. The complaint process allows Consultants to focus on the Solicitation requirements and evaluation process and raise issues with these processes early enough in the process to allow OSPI to correct a problem before proposals are submitted and time expended on evaluations.

A Consultant may submit a complaint based on any of the following:

- The Solicitation unnecessarily restricts competition;
- The Solicitation evaluation or scoring process is unfair or flawed; or
- The Solicitation requirements are inadequate or insufficient to prepare a proposal.

Consultants may submit complaints up to five (5) business days prior to the proposal due date noted in the Estimated Schedule of Procurement Activities. However, Consultants are encouraged to submit complaints as soon as possible so OSPI can rectify the issue(s) early in the process. Complaints must be submitted to the RFP Coordinator. In order to be considered a valid complaint, the complaint must meet the following requirements:

- Must be in writing.
- Should clearly articulate the basis for the complaint.
- Should include a proposed remedy.

Complaints not received by the deadline noted in the Estimated Schedule of Procurement Activities will not be reviewed by OSPI. Failure by the Bidder to raise a complaint at this stage may waive its right for later consideration.

The OSPI Contracts Administrator or an employee delegated by the Contracts Administrator will review valid complaints and respond to the submitter in writing. OSPI will consider all complaints but is not required to adopt a complaint, in part or in full. OSPI's response to the complaint is final and not subject to administrative appeal. The response, and any changes to the RFP, will be posted to WEBS prior to the proposal due date. Any complaint addressed during the complaint process cannot be raised during the protest process.

#### **B.5. SUBMISSION OF PROPOSALS**

Vendors shall submit proposals as an attachment to an email to the RFP Coordinator noted in Section B.1. **Proposals must arrive by 10:00 a.m. in Olympia, WA, on Friday, November 17, 2023.** The RFP number must be noted in the email subject line. Attachments to the email shall be Microsoft Word format or in Portable Document Format (PDF). Zipped files may be received by OSPI and can be used for submission of proposals. OSPI does not assume responsibility for any problems with the electronic delivery of materials.

Proposals not received by the deadline will not be reviewed. Late proposals will not be accepted and will be automatically disqualified from further consideration. Proposals must respond to the procurement requirements. Do not respond by referring to material presented elsewhere. The proposal must be complete and must stand on its own merits.

Failure to respond to any portion of the procurement document may result in rejection of the proposal as non-responsive. All proposals and any accompanying documentation become the property of OSPI and will not be returned.

## **B.6. WITHDRAWAL/MODIFICATION**

Vendors are liable for all errors or omissions contained in their Responses. The Vendor may modify or withdraw his/her Proposal at any time prior to the due date and time set for Proposal opening by providing a written request to the Procurement Coordinator from an authorized representative of the Vendor.

After Proposal opening: No Proposal shall be altered or amended. OSPI may allow a Proposal to be withdrawn if the Vendor demonstrates that the prices were miscalculated. A low Proposer, who claims error and fails to enter into a contract with the OSPI, may not participate in proposing on the same commodity or service if the solicitation is subsequently reissued by OSPI.

OSPI reserves the right to contact Proposer for clarification of Response contents.

Failure to respond to any portion of the procurement document may result in rejection of the proposal as non-responsive. All proposals and any accompanying documentation become the property of OSPI and will not be returned.

Your entire response to this RFP is a public record and will be disclosed consistent with the Public Records Act, Chapter 42.56 RCW.

### **B.7.i. CONFIDENTIAL DOCUMENTS**

If OSPI requests confidential or proprietary information, you must clearly print the word "Confidential" on the lower right-hand corner of each page containing the confidential or proprietary information.

### **B.7.ii. PUBLIC RECORDS REQUESTS**

If a public records request seeks your proposal and the proposal contains pages clearly marked "Confidential", OSPI will take the following steps:

- i. We will notify you. We will identify the requestor and the date that OSPI will disclose the requested records.
- ii. We will give you an opportunity to seek a court order to stop OSPI from disclosing the records.

Additionally, per Department of Enterprise policy, agencies are encouraged to buy from in-state small business, including microbusinesses and mini-businesses.

However, no preference will be included in the evaluation of proposals, no minimum level of MWBE participation shall be required as a condition for receiving an award, and proposals will not be rejected or considered non-responsive on that basis. Any affirmative action requirements set forth in federal regulations or statutes included or referenced in the contract documents will apply.

Vendors who meet criteria set forth in chapter [39.19 RCW](#), should complete and submit the *Business Enterprise Certification Form* with the *Contractor Intake Form* (Exhibit I).

The RFP Coordinator may contact any Bidder for clarification of the proposal. If a proposal is deemed non-responsive, it shall be removed from further consideration. Bidders whose proposals are found to be non-responsive shall be disqualified from further evaluation and shall be notified in writing.

If a proposal meets all administrative and Bidder qualification requirements and submittal instructions, OSPI shall continue with the written evaluation and, if applicable, the oral evaluation.

OSPI reserves the right at its sole discretion to waive minor administrative irregularities.

## **B.13. MOST FAVORABLE TERMS**

OSPI reserves the right to make an award without further discussion of the proposal submitted. Therefore, the proposal should be submitted initially on the most favorable terms which the Bidder can propose. There will be no best and final offer procedure. OSPI does reserve the right to contact a Bidder for clarification of its proposal.

The Bidder should be prepared to accept this RFP for incorporation into a contract resulting from this RFP. Contract negotiations may incorporate some or all of the Bidder's proposal. It is understood that the proposal will become a part of the official procurement file on this matter without obligation to OSPI.

## **B.14. CONTRACT AND GENERAL TERMS & CONDITIONS**

Proposals must provide information in the same order as presented in this document with the same headings. This will not only be helpful to the evaluators of the proposal but should assist the Consultant in preparing a thorough response.

### C.1. LETTER OF SUBMITTAL (Mandatory)

The Letter of Submittal, the attached *Certifications and Assurances*, and the attached *Contractor Intake Form* must be signed and dated by a person authorized to legally bind the Consultant to a contractual relationship, (e.g., the President or Executive Director if a corporation, the managing partner if a partnership, or the proprietor if a sole proprietorship).

Along with introductory remarks, please attach to the Letter of Submittal the following information about the Consultant and any proposed subcontractors:

1. Name, address, and telephone number of each principal officer (President, Vice President, Treasurer, Chairperson of the Board of Directors, etc.);
2. Location of the facility from which the Consultant would operate; and
3. A detailed list of all materials and enclosures included in the Proposal.

### C.2. VENDOR PROFILE/REFERENCES (SCORED)

#### A. Project Management

1. **Management Team** – Provide a description of the proposed management team structure to be used during the course of the potential contract term, including any subcontractors.
2. **Staff Qualifications/Experience** – Identify staff, including subcontractors, who will be assigned to the potential contract, indicating the responsibilities and qualifications of such personnel.

## **B. Experience of the Vendor**

Include other relevant experience that indicates the qualifications of the Vendor, and any subcontractors, for the performance of the potential contract.

## **C. References**

In Exhibit G Vendor Profile and References, list names, addresses, telephone numbers, and fax numbers/email addresses of three (3) business references for whom work has been accomplished and briefly describe the type of service provided for them. By submitting a proposal in response to this RFP, the vendor and team members grant permission to OSPI to contact these references and others, who from OSPI's perspective, may have pertinent information. OSPI may or may not, at OSPI's discretion, contact these references or others. Do not include current OSPI staff as references.

## **D. Past Performance**

Provide information regarding past performance by indicating if the Vendor has received notification of contract breach in the past five (5) years. This does not lead to automatic disqualification. However, OSPI reserves the right to disqualify Vendor proposals based on the Vendor's historical performance.

### **C.3. COST PROPOSAL**

#### **A. Proposal Pricing**

Proposal prices must include all cost components needed for the delivery of the Processed Donated USDA Foods as described in this Solicitation document. All proposal pricing is to include FOB Destination (freight prepaid) to any location within the State of Washington.

Failure to identify all costs in a manner consistent with the instructions in this RFP is sufficient grounds for disqualification.

OSPI makes no volume commitment in this solicitation. The proposed pricing levels should reflect the market provided by the Contract resulting from this solicitation.

#### **B. Price Sheet (SCORED)**

Vendor shall extend unit pricing (cost per serving) as required. In the event of an error in the extension of prices, the unit pricing (cost per serving) shall prevail. Prices shall include all associated costs (e.g., brokerage, freight, or other fees, etc.) Prices are in US dollars. Vendor must complete Exhibit H Price Worksheet.

### **C. Price Adjustments**

Contractor requests for adjustments in pricing will be considered at sole discretion of OSPI and must be documented and referenced to Producer's Price Index increases. Anticipated pricing adjustment requests must be submitted prior to July 1, 2023.

### **D. Shipping Terms**

All goods will be shipped Freight on Board (FOB) destination, freight prepaid and included in unit pricing. **If delivered product temperature is in question, temperature logs will be requested and presented to OSPI contract manager. Load may be refused at no cost to OSPI. All truck seals must be in place to receive product, or explanation as to why no seal in place.**

### **E. Samples**

OSPI reserves the right to ask for samples at Vendor's expense.

All samples provided to OSPI shall be identical to products quoted by Vendor and shall be labeled with Vendor's name, stock number, proposal number, and solicitation line-item number. All samples are an express warranty, which shall also apply to all products provided under this contract. Vendors failing to comply with this requirement may have their proposal rejected or contract terminated.

Samples will be requested for taste testing after proposal opening and prior to contract award. Samples are to be shipped and received within five (5) working days of OSPI notification. Failure to provide requested samples within five (5) working days after request may result in proposal rejection. Samples will be considered property of the state and will not be returned.

### **F. Use of Subcontractors**

Please note if any subcontractors are certified by the Office of Minority and Women's Business Enterprises.

OSPI may accept Responses that include third party involvement only if the Vendor submitting the Response agrees to take complete responsibility for all actions of such Subcontractors. Vendor must state whether Subcontractors are/are not being used.

If applicable, Vendor shall identify all subcontractors who will perform services in fulfillment of contract requirements, including their name, the nature of services to be performed, address, telephone, facsimile, email, federal tax identification number (TIN), and anticipated dollar value of each subcontract:

OSPI reserves the right to approve or reject any and all Subcontractors the Vendor proposes.

### **G. Monthly Processing Reports to OSPI**

Monthly Processing Reports (MPR's) are required to be consistently submitted to the [USDAFDD@k12.wa.us](mailto:USDAFDD@k12.wa.us) in box by the 15<sup>th</sup> of the following month (or within 30 days of close). EOY MPR's with balances need to be submitted to the [USDAFDD@k12.wa.us](mailto:USDAFDD@k12.wa.us) in box by July 15<sup>th</sup>.

## **Section D. EVALUATION AND AWARD**

---

### **D.1. EVALUATION PROCEDURE**

Responsive proposals will be evaluated strictly in accordance with the requirements stated in this RFP and any addenda issued. The evaluation of proposals shall be accomplished by an evaluation team, to be designated by OSPI, which will determine the ranking of the proposals.

### **D.2. AWARD CRITERIA**

The Award will be based on the total evaluation points by item and the Vendor's ability to meet the required product specifications listed in the proposal including past performance and reference responses. Total acquisition cost includes, but is not limited to, price, delivery, service, contract administration and terms of payment. Vendor will indicate each cost for items shown in Exhibit H Price Worksheet.

Contract award shall be made to the Highest Scored Responsive and Responsible Vendor based on the evaluation and award criteria established herein and subject to consideration of all factors identified in RCW 43.19.1911. Vendors whose proposals are determined to be non-responsive will be rejected and will be notified of the reasons for such rejection.

Subject to the provisions of RCW 43.19.1911 and Charter 236-48 WAC, OSPI reserves the right to: (1) Waive any informality; (2) Reject any or all Proposals, or portions thereof; (3) Accept any portion of the items proposed unless the Vendor stipulates all or nothing in their Proposal; (4) Cancel a solicitation and re-solicit Proposals; (5) Negotiate with the lowest Responsive and Responsible Vendor to determine if the proposal can be improved for the Purchaser; (6) Award in aggregate when in the best interest of OSPI.

**In the event an awarded contractor cannot fulfill purchase orders submitted, OSPI reserves the right to re-award a contract to the next highest scored Vendor.**

### **D.3. EVALUATION PROCESS AND SCORING**

The following areas will be assigned to the proposals for evaluation purposes:

#### **A. Initial Determination of Responsiveness**

Responses will be reviewed initially by the RFP Coordinator to determine on a pass/fail basis compliance with administrative requirements as specified herein. Evaluation teams will only evaluate Responses meeting these requirements.

Responses meeting the Initial Determination of Responsiveness will then be reviewed on a pass/fail basis to determine if the Response meets the Mandatory requirements. Only Responses meeting all Mandatory requirements will be further evaluated.

OSPI reserves the right to determine at its sole discretion whether Vendor's Response to a Mandatory requirement is sufficient to pass. If, however, all responding Vendors fail to meet any single Mandatory item, OSPI may cancel the solicitation and reject all proposals.

## **B. Responsiveness Evaluation**

Only Responses that pass the Initial Determination of Responsiveness review will be evaluated based on the requirements in this Solicitation.

Pursuant to RCW 43.19.1911(9), in determining Vendor responsibility, the following elements shall be given consideration:

- (a) The ability, capacity, and skill of the Vendor to perform the contract or provide the service required (fulfillment of purchase orders);
- (b) The character, integrity, reputation, judgement, experience, and efficiency of the Vendor;
- (c) Whether the Vendor can perform the contract within the time specified (fulfillment of purchase orders);
- (d) The quality of performance of previous contracts or services;
- (e) The previous and existing compliance by the Vendor with laws relating to the contract or services;
- (f) Such other information as may be secured having a bearing on the decision to award the contract;
- (g) Close adherence to the food specifications as indicated in Exhibit F Specifications.

During Response evaluation, OSPI reserves the right to make reasonable inquiry to determine the responsibility of any Vendor. Requests may include, but are not limited to, financial statements credit ratings, references, record of past performance, clarification of Vendor's offer, and on-site inspection of Vendor's or Vendor's subcontractor's facilities. Failure to respond to said request(s) may result in Response being rejected as non-responsive.

## **C. Criteria for Scoring Shall Be:**

- 1. General Specifications (please see Exhibit F Specifications) ~ Pass/Fail**
- 2. Cost Per Serving – 50 points possible (scored by OSPI RFP Coordinator or designee)**  
Cost per serving and/or cost per ounce will be used in the evaluation process to determine lowest competitive pricing. The scoring chart will be used for each of the four (4) items on this solicitation.
- 3. Acceptability – Taste, Appearance and Texture – 50 points Possible**

The results of the taste test will be combined and assigned the following points:

Taste Scale 0-25 pts

25 = Excellent 0 = Poor

Appearance Scale 0-15 pts

15 = Excellent 0 = Poor

Texture Scale 0-10 pts

10 = Excellent 0 = Poor

The following criteria describe how the evaluation and award process will be conducted. Taste test scores and cost per serving scores will be totaled to determine successful vendor(s).

<b>Vendor Name</b>	<b>Cost per Serving (0-50 pts)</b>	<b>Taste (0-25 pts)</b>	<b>Appearance (0-15 pts)</b>	<b>Texture (0-10 pts)</b>	<b>PCBs (0-6 pts)</b>	<b>TOTAL PTS</b>

The Awards will be based on the total acquisition cost and evaluation points by item, group of items or aggregate total (category) depending on what is deemed by OSPI to be in the best interest of the state.

**D.4. SCORING PREFERENCE RELATED TO POLYCHLORINATED BIPHENYLS**

Polychlorinated biphenyls, commonly known as PCBs, have adverse effects on human health and the environment. Accordingly, the State of Washington through its procurements of goods is trying to minimize the purchase of products with PCBs and to incentivize its vendors to sell products and products in packaging without them.

A preference of six (6) points will be given to bidders who provide evidence that the products and/or product packaging, identified for PCBs testing in Exhibit C, on the Cost Proposal/Price Worksheet, pursuant to RCW 39.26.280 that do not contain PCBs. In the event products and/or product packaging are tested, and no products or product packaging contain zero PCBs, a preference of six (6) points to one (1) point (see PCB preference table below) will be given to bidders who provide evidence that the products and/or product packaging, identified for PCBs testing in Exhibit C, Cost Proposal/Price Worksheet contain the least amount of PCBs. The method for testing products and/or packaging for PCBs must be per the U.S. Environmental Protection Agency (EPA) Analytical Method 1668c.

- 6 points = Tested, and no PCBs were found
- 5 points = Tested, lowest level of PCBs
- 4 points = Tested, 2nd lowest level of PCBs
- 3 points = Tested, 3rd lowest level of PCBs

2 points = Tested, 4th lowest level of PCBs

1 point = Tested, 5th lowest level of PCBs

0 points = **Not Tested or ≥6 lowest level of PCBs**

Vendor must ensure the product or products still maintain the same levels of PCBs throughout the term of the contract. A variance of +/- 50% from original results may be allowed. If product(s) is/are found to contain PCBs during the life of the contract, product is subject to removal from the OSPI approved product list until corrected. Vendors will be required to submit a Contractor Certification Preference on a yearly basis, prior to contract renewal (July 1).

If a vendor requests the PCB preference points, vendor must have the specified product/products tested using the U.S. Environmental Protection Agency (EPA) Analytical Method 1668c. Vendors should be advised that this test usually takes up to 15 days to process – be sure to add in the extra time on your timeline in order to meet the due date listed on page 1 of this RFP. Exhibit C Contractor Certification Preference form is to be submitted as well as the test results.

#### **D. SELECTION OF APPARENT SUCCESSFUL BIDDER**

OSPI reserves the right to award the contract to the Bidder whose proposal is deemed to be in the best interest of and most advantageous to OSPI and the state of Washington. The selected bidder will be declared the Apparent Successful Bidder (ASB).

The date of announcement of the ASB will be the date the announcement is emailed. The State will enter into contract negotiations with the ASB. Should contract negotiations fail to be completed within two (2) weeks after initiation, the State may immediately cease contract negotiations, declare the Bidder with the second highest score as the new ASB, and enter into contract negotiations with that Bidder. This process will continue until the Contracts are signed or no qualified Bidders remain.

#### **E. NOTIFICATION TO BIDDERS**

Proposals that have not been selected for further negotiation or award will be notified via email by the RFP Coordinator.

#### **F. DEBRIEFING OF UNSUCCESSFUL BIDDERS**

At the Bidder's request, an individual debriefing conference will be scheduled with an unsuccessful Bidder. The request for a debriefing conference must be received by the RFP Coordinator within three (3) business days after the Notification of Unsuccessful Vendor email is sent to the Consultant. The debriefing must be held within three (3) business days of the request, unless otherwise agreed upon by the RFP Coordinator and Vendor.

Discussion will be limited to a critique of the requesting Bidder's proposal. Comparisons between proposals or evaluations of the other proposals will not be allowed. Debriefing conferences may be conducted on the telephone and will be scheduled for a maximum of thirty (30) minutes .

Since debriefing conferences pertain to the formal evaluation process, Bidders who were disqualified as non-responsive and therefore did not go through the formal evaluation process, are not entitled to a debriefing conference.

Please note, because the debrief process must occur before making an award, OSPI likely will schedule the Debrief Conference shortly after the announcement of the ASB and the Bidder's request for a Debrief Conference. OSPI will not allow the debrief process to delay the award. Therefore, Bidders should plan for contingencies and alternate representatives; Bidders who are unwilling or unable to attend the Debrief Conference will lose the opportunity to protest.

## **G. PROTEST PROCEDURE**

This protest procedure is available to Bidders who submitted a response to this RFP document and who have participated in a debriefing conference. Upon completion of the debriefing conference, the Consultant is allowed five (5) business days to file a protest of the procurement with the RFP Coordinator. Protests shall be submitted to the RFP Coordinator via email.

Consultants protesting this procurement shall follow the procedures described below. Protests that do not follow these procedures shall not be considered. This protest procedure constitutes the sole administrative remedy available to Bidders under this procurement.

The protest must state:

1. The RFP number.
2. The grounds for the protest including specific facts and complete statements of the action(s) being protested. The protesting party may submit with the protest any documents or information deemed relevant.
3. A description of the relief or corrective action being requested should also be included.

Only protests stipulating an issue of fact concerning the following subjects shall be considered:

- A matter of bias, discrimination or conflict of interest on the part of the evaluator/evaluation team;
- Errors in computing the score; and/or
- Non-compliance with procedures described in the procurement document or OSPI policy.

Protests not based on procedural matters will not be considered. Protests will be rejected as without merit if they address issues such as: 1) an evaluator's professional judgment on the quality of a proposal, 2) OSPI's assessment of its own and/or other agencies needs or requirements, or 3) a complaint raised during the Complaint Procedure.

Upon receipt of a protest, a protest review will be held by OSPI. The OSPI Contracts Administrator, or an employee delegated by the Contracts Administrator who was not involved in the procurement, will consider the record and all available facts, and issue a decision within ten (10) business days of receipt of the protest. If the OSPI Contracts Administrator delegates the protest review, the Contracts Administrator nonetheless reserves the right to make the final agency decision. If additional time is required, the protesting party will be notified. The OSPI Contracts Administrator or designee will have

the right to seek additional information from sources he or she deems appropriate in order to fully consider the protest.

In the event a protest may affect the interest of another Bidder that submitted a proposal, such Bidder will be given an opportunity to submit its views and any relevant information on the protest to the RFP Coordinator.

The final determination of the protest shall either:

- Find the protest lacking in merit and uphold OSPI's action; or
- Find only technical or harmless errors in OSPI's procurement process and determine OSPI to be in substantial compliance and reject the protest; or
- Find merit in the protest and provide OSPI options which may include:
  - Correct the errors and re-evaluate all proposals, and/or
  - Reissue the RFP document and begin a new process, or
  - Make other findings and determine other courses of action as appropriate.

If OSPI determines that the protest is without merit, OSPI will enter into a contract with the Apparent Successful Bidder, assuming the parties reach agreement on the contract's terms. If the protest is determined to have merit, one of the alternatives noted in the preceding paragraph will be taken. All decisions made by OSPI relating to the protest shall be final.

Failure to buy and maintain the required insurance may result in the termination of the Contract at the Superintendent's option. By requiring insurance herein, Superintendent does not represent that coverage and limits will be adequate to protect Contractor and such coverage and limits shall not limit Contractor's liability under the indemnities and reimbursements granted to the Superintendent in this Contract.

Contractor shall include all subcontractors as insureds under all required insurance policies, or shall furnish proof of insurance and endorsements for each subcontractor. Subcontractor(s) must comply fully with all insurance requirements stated herein. Failure of subcontractor(s) to comply with insurance requirements does not limit Contractor's liability or responsibility.

**24. Licensing and Accreditation Standards.** The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements/standards, necessary to the performance of this Contract.

**25. Limitation of Authority.** Only the Superintendent or the Superintendent's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any alteration, amendment, modification, or waiver or any clause or condition of this Contract is not effective or binding unless made in writing and signed by the Superintendent.

**28. Payments.** No payments in advance or in anticipation of services or supplies to be provided under this Contract shall be made by the Superintendent. All payments to the Contractor are conditioned upon (1) Contractor's submission of a properly executed and supported voucher for payment, including such supporting documentation of performance and supporting documentation of costs incurred or paid, or both as is otherwise provided for in the body of this Contract under Duties of the Superintendent, and (2) Acceptance and certification by the Superintendent or designee of satisfactory performance by the Contractor.

If a request is made to view the Contractor's information, the Superintendent will notify the Contractor of the request and the date that such records will be released to the requester unless Contractor obtains a court order enjoining that disclosure. If the Contractor fails to obtain the court order enjoining disclosure, the Superintendent will release the requested information on the date specified.

**30. At no additional cost, these records, including materials generated under the Contract, shall be subject at all reasonable times to inspection, review or audit by the Superintendent, personnel duly authorized by the Superintendent, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

All inspections and evaluations shall be performed in such a manner that will not unduly interfere with the Contractor's business or work hereunder.

**34. Severability.** The provisions of this Contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the Contract.

**35. Site Security.** While on Superintendent premises, Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

**36. Subcontracting.** Neither the Contractor nor any subcontractor shall enter into subcontracts for any of the work contemplated under this Contract without obtaining prior written approval of the Superintendent. Contractor is responsible to ensure that all terms, conditions, assurances and certifications set forth in this Contract are included in any and all Subcontracts. In no event shall the existence of the subcontract operate to release or reduce liability of the Contractor to the Superintendent for any breach in the performance of the Contractor's duties. This clause does not include contracts of employment between the Contractor and personnel assigned to work under this Contract.

If, at any time during the progress of the work, the Superintendent determines in its sole judgment that any subcontractor is incompetent, the Superintendent shall notify the Contractor, and the Contractor shall take immediate steps to terminate the subcontractor's involvement in the work. The rights and remedies of the Superintendent provided in this Contract are not exclusive and are in addition to any other rights and remedies provided by law.

The Superintendent may withhold from any amounts due to the Contractor such sum as the Superintendent determines to be necessary to protect the Superintendent against potential loss or liability.

The rights and remedies of the Superintendent provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law under this Contract.
